Town Accountant's Report

To the Honorable Board of Selectmen:

Herewith I submit my annual report of the financial transactions of the Town of Milford for the year ending December 31, 1952.

Included is a detailed report of the Receipts from all sources of income, a detailed report of the Expenditures of each Department and Account, a Recapitulation and Estimate table showing the Appropriation, Receipts and Transfers, Expenditures and Balance December 31, 1952, and the estimated cost to run various departments as submitted by them for the coming year.

I wish to thank all the Departments for their co-operation during the past year.

Respectfully submitted,

MICHAEL J. HANNIGAN,

Town Accountant.

ANNUAL TOWN MEETING, MARCH 12, 1952

Commonwealth of Massachusetts

Worcester, ss.

Milford, March 12, 1952

At a legal meeting of the inhabitants of the Town of Milford notified by law to vote in Town Affairs held in Town Hall on the 12th day of March A. D. 1952, the said inhabitants proceeded as follows:

Moderator John F. Curran called the meeting to order and the following Monitors were sworn in:

At Large	Edward C. Carroll
Precinct 1	J. Frank Cahill
Precinct 2	John Gandolfi substituting for Joseph L. DeLuca
Precinct 3	Alfred B. Cenedella Jr.
Precinct 4	James J. Curley substituting for Alfred E. Daigle
Precinct 5	John C. Usher

The Monitors reported 180 members present, a sufficient number to conduct a meeting and the Clerk proceeded to read the Annual Warrant and Officer's Return and also the Special Warrant and Officer's Return.

Moderator Curran presented and read Resolutions on deceased Town Meeting Members and the Members arose and stood in silence to pay respect to their fellow members.

Resolution

WHEREAS, this meeting has learned with great regret of the passing of Angus H. MacKenzie, a Town Meeting member of many years standing, a member of the Finance Commission and an active member of many committees of the town and of this meeting, and

WHEREAS, his passing is mourned by all of the community because of the example set by him as a loyal employee, an outstanding citizen, a true Christian gentleman who faithfully discharged all of his obligations,

THEREFORE, BE IT RESOLVED,

That this meeting stand in silent tribute to his memory, and

Be it further resolved, that this meeting offer its sincere expression of sympathy to his family and that his family be presented with a copy of these resolutions and that a copy of these resolutions be printed in the next annual Town Report.

For the Committee,
JOHN F. CURRAN,
Moderator

Resolution

WHEREAS, this meeting has learned of the death of John F. Jackson, a member of this meeting and a staunch citizen of this community for many years, and

WHEREAS, Mr. Jackson exemplified the spirit of true citizenship by his loyal attendance and participation in our town meetings for a great many years, and

WHEREAS, his passing is mourned by all with whom he came in contact in his daily affairs,

THEREFORE, BE IT RESOLVED,

That this meeting express its condolences to his immediate family and that this meeting stand in silence as a tribute to his memory, and

Be it further resolved, that his family be presented with a copy of these resolutions and that these resolutions be published in the next annual Town Report.

For the Committee,
JOHN F. CURRAN,
Moderator

Resolution

WHEREAS, by the death of Edward R. Glennon, the Town of Milford has lost a loyal servant who gave many years of his life to the service of this community, and

WHEREAS, the community at large has lost the example of a faithful and honorable citizen who served the town efficiently for many years in the School Department,

THEREFORE BE IT RESOLVED,

That this meeting stand in silent tribute to his memory and

Be it further resolved, that this meeting express its sincere sympathy to his family and that his family be presented a copy of these resolutions and that these resolutions be published in the next annual Town Report.

For the Committee,

JOHN F. CURRAN,

Moderator

It was moved and seconded to take action on the Special Meeting first.

Article 1. Voted: That the town vote to authorize the Sewer Commissioners to appoint a member of the Sewer Commission to the position of part-time Superintendent of Sewers and that the compensation of said appointee be Thirteen hundred twenty (\$1320.00) dollars, retroactive from January 1st, 1952, in compliance with Chapter 41, Section 4A of the General Laws (Ter. Ed.).

Article 2. Voted: That the Wage Study Board of the Finance Commission be instructed and authorized to proceed with the development of a Salary Administration Plan for the Town of Milford pursuant to the Provisions of Sec. 108A of Chapter 41, of the General Laws as amended; and that the sum of Three thousand (\$3,000.) dollars be raised and appropriated for same.

At this time Article 1 of the Annual Meeting was acted upon.

Article 1. Voted: To accept the reports of all Town Officers.

The Finance Committee's Report was submitted by Dr. Frank L. Moschilli, Chairman of the Finance Committee.

Article 2. Voted: That the Town vote to receive the report of the Finance Committee and that the Moderator inquire if any voter wishes to consider any item separately. Any voter who so wishes shall ask the Moderator to remove this item from the report and when this has been done that the town vote to raise and appropriate the amounts recommended by the Finance Committee. The meeting shall then consider the items to which objection has been made by taking up each item individually.

At the request of several members the following items were removed from the report:

Treasurer—Salaries and Wages

Police—Salaries and Wages

Police—Expenses

Police—Chief's Car

Welfare—Agent to Town Physician inclusive

At this time a motion was made that the town raise and appropriate the sum or sums of money as recommended by the Finance Committee except those items to which objection has been made and it was voted as follows:

SPECIAL TOWN MEETING, SEPTEMBER 22, 1952

Commonwealth of Massachusetts

Worcester, ss.

Milford, September 22, 1952

The meeting was called to order by Moderator John F. Curran at 8 P.M. The Monitors checked the lists and in the absence of Alfred B. Cenedella, Jr. in Precinct 3, the Moderator appointed Angelo F. Roberti a temporary monitor.

There were 129 members present, a sufficient number to constitute a quorum so the Moderator called upon the Clerk to read the Warrant and the Officer's Return.

Article 1. Voted: That the Town vote to appropriate from Excess and Deficiency funds in the Treasury the sum of Six thousand (\$6,000.00) dollars, for use in the Veterans' Services Expense Account.

Article 2. Voted: That the Town appropriate from available funds in the Treasury the sum of Fifteen thousand six hundred (\$15,600.00) dollars, for use by the Board of Public Welfare for the Old Age Assistance Account.

Article 3. Voted: That the Town vote to transfer Eight thousand (\$8,000.00) dollars, from the Aid to Dependent Children Account to the Disability and General Relief Account.

Article 4. Voted: That the Town vote to appropriate by transfer the sum of Five thousand (\$5,000.00) dollars from the unexpended balance remaining from funds which were raised and appropriated under Article 14 at the Annual Town Meeting held on March 20th, 1952, so that said money may be used for similar purposes, namely, for the extension of sewers on Congress Street from a point opposite the residence of Edward L. Mitchell

for a distance of 400 feet north of the above named location.

Article 5. Voted: That the Town appropriate the sum of twelve hundred (\$1,200.00) dollars, from the Excess and Deficiency fund available in the Treasury for the purpose of extending the Fire Alarm System on Congress Street, a distance of approximately forty-five hundred (4500) feet.

Article 6. Voted: That the Town appropriate the sum of Five hundred (\$500.00) dollars, by transfer from the appropriation made for the Installation of Lighting Equipment at Fino Field for the purpose of extending the Fire Alarm System from Fairview Road to Woodland Avenue, a distance of approximately Seventeen hundred (1700) feet.

It was moved and seconded to dissolve the warrant at 8:30 P.M.

Annual Report of the Board of Selectmen

The Board met and organized on March 4th, 1952. Atty. William V. Bellantonio was chosen Chairman, having been elected the day before with Marco A. Balzarini and Atty. Michael P. Visconti.

During the year your Board was confronted with many matters of interest and importance to the townspeople. Before decisions were made, much serious thought and study was given to these problems having as our paramount interest the welfare of the Town and its citizens.

Granting of the five day week for the Police Department was one of the first pieces of municipal business accomplished. We sincerely believe that this is a progressive move and one that will greatly increase the efficiency of the Police Department. Increased efficiency affords added safety to our citizens and our community.

Two sets of Traffic Lights were installed during the year, one at the intersection of Main, North Bow and Winter Streets and the other at Supple Square. These lights were installed upon the recommendation of the Chief of Police for the purpose of eliminating certain traffic hazards that existed at the above mentioned locations.

The dredging of the Charles River along Depot Street was started during the year and this project is now practically completed. Vast improvement to surrounding properties has resulted and a severe health risk has been removed. Both the State and Town contributed funds for this work and we believe, because of the tremendous benefits that have accrued, that this is

money that has been wisely appropriated and effectively spent.

The Board has held many conferences with the Milford Water Company for the purpose of extending water mains to our citizens where none now exist. All of our people are entitled to this service. A petition supported by us is now pending before the Department of Public Utilities and we are hopeful of a favorable decision from the Department shortly.

The installation of more lights at various locations throughout the Town has afforded increased protection to our townspeople. We believe that added street lighting is one of the best services that a community can give to its citizens and we strongly urge that this program be supplemented from year to year.

A committee was appointed to investigate the possibility of constructing a permanent band stand for community concerts. The work of this committee was most thorough and it has recommended that an article be inserted in the Town Warrant seeking funds to build the band stand. This article will be inserted in the Warrant.

We feel that our community is strongly in need of adequate swimming facilities. A committee was chosen with this purpose in view and a comprehensive report has been made to us. Acting on the recommendations of this committee, an article will be inserted in the Town Warrant asking that funds be appropriated for the construction of a swimming pool. It is quite probable that State funds will be obtained to help defray the cost of this project.

We sincerely believe that the Town Dump now situated on Cedar Street, opposite St. Mary's Cemetery, should be re-located. We have in mind another location that we believe will be more suitable than the present location and plans are being furthered to effect this change. In connection with this matter, the Board has

already granted a five year lease to the Charles River Fish and Game Club for a strip of land adjacent to the Town Dump. Already, much improvement has been made in this area and we believe that future improvements should be forthcoming especially if the location of the Town Dump is changed.

The yearly Halloween Party and Better Fishing Contest were again conducted for the youth of the Town. These are worthwhile projects that we feel should be continued in the future.

Weekly meetings and many special meetings have been held by your Board throughout the year. Many conferences have been held with our townspeople regarding various problems that have materially affected their interests. We have recorded our opposition to rate increases requested during the year by certain public utilities and this opposition has been forwarded to various State agencies to protect the rights of our citizens. Investigation of complaints, inspection of premises and hearings have been held on all matters coming within the jurisdiction of the Board.

We have enjoyed serving our Town and our citizens. We thank all Department heads, officials and townspeople for the cooperation and courtesy extended to us during the past year. We are most appreciative.

Respectfully submitted,

WILLIAM V. BELLANTONIO,

Chairman

MARCO A. BALZARINI

Town Counsel's Report

January 8, 1952

To the Honorable Board of Selectmen:

Gentlemen:

When I assumed office as town counsel in March, 1952, there was outstanding against the Town a claim for compensation under the Workmen's Compensation Act. On September 16, 1952, during the sitting of a Commissioner of the Industrial Accident Board in the courtroom in the Town hall, the case was settled. Since the Town carried Workmen's Compensation insurance, no loss, expense or costs resulted to the Town.

In addition to the above claim, there were outstanding against the Town claims for Welfare aid given by the Town of Bellingham to recipients accredited to the Town of Milford. The Town of Milford in turn has claims against the Town of Bellingham. I believe the counter claims will be adjusted and satisfactory settlements effected soon.

Also outstanding against the Town are two claims on which actions at law have been commenced in the Superior Court at Worcester. In one case, the claimants or plaintiffs seek to recover damages for injuries resulting to their property in consequence of the blockage of the connecting drain to the main sewer drain. The Town is sued jointly with Sam Lorusso & Sons, Inc., the contracting firm which was awarded the job of resurfacing Water street. In the other action, the plaintiff seeks to recover damages for personal injuries resulting to her in consequence of the falling or tripping on Water street, which falling it is alleged was caused by a defect in the sidewalk. In this matter, the Town is sued jointly with the Sam Lorusso & Sons, Inc.

Upon my assuming office, there was in the Damage

to Persons and Property Account the sum of \$1,432.15. There now remains a balance of \$169.95.

I list herewith an account of the items of expenditures out of this fund.

For damage to property	\$ 25.00
Medical expenses	10.00
Personal injuries	600.00
Recording fee—easement	5.00
Recording fee—plan of easement	1.50
Recording fee of easement—plan	7.70
Recording fee of easement and plan	8.00
Personal injuries	130.00
Medical services	10.00
Personal injuries	465.00
	<hr/>
	\$1,262.20

Many conferences were held with the various town officials and many opinions, both written and oral, were given to the selectmen and other officials of the Town. Many instruments affecting the interests of the Town were drawn and recorded.

I believe the Town received some benefit through my efforts in connection with the Charles River dredging, widening and development project now in progress.

In the conduct of the Town's business, it was necessary for me to make 'phone calls, use legal forms, postage stamps, and to incur expense for travel to and from distant places. In connection with these items of expense, I wish to state that I have contributed my own money and have not made any charge against the Town for them.

In conclusion, I want to express my sincere thanks to all department heads, boards, committees and all town officers for their assistance, and for the many courtesies extended to me during the past year.

Respectfully submitted,

NATHAN ROSENFELD,
Town Counsel

Report of Town Hall Custodian

Report of the Chief of Police

January 2, 1953

To the Honorable Board of Selectmen
Gentlemen:

It is my pleasure to submit the following report of arrests and other duties performed by your Police Department during the year 1952.

During the year 1952 the changes in personnel are as follows:

February 19th—

Sgt. Ernest A. Lombardi was retired on a disability.

February 27th—

James F. Donlon was appointed Acting Sergeant.

Henry B. O'Sullivan promoted from Reserve Officer to Patrolman

Anthony J. Di Antonio was promoted from Reserve Officer to Military Substitute to replace Donald F. Small, on military leave with the U. S. Navy.

Pasquale V. Del Signore was appointed a Reserve Officer.

April 22nd—

Antonio J. Di Antonio and Bruno Zacchilli were promoted from Reserve Officers to Patrolmen and Pasquale V. Del Signore was named Military Substitute for Patrolman Donald F. Small.

Two traffic lights, pedestrian controlled, were installed at the corner of Main and No. Bow Streets and also at Supple Square to further our policy of safety particularly for the children and the aged.

The Town of Milford was honored by the National Safety Council with an award as number one in cities and towns from 10,000 to 25,000 population group, for our School Safety program under the Supervision of Sgt. Curley, School Safety Officer.

Under Acting Sgt. James F. Donlon, the Auxiliary Police have been equipped with uniforms, traffic belts, clubs and whistles. They have been a valuable addition to the Department, particularly during parades and other public celebrations.

Under Sgt. Rizoli the Annual Halloween Party was staged and the property damage was held to a minimum, thanks to the public spirited citizens who donated their time and money to this worthy cause.

Recommendation is respectfully made that Police Call Boxes be installed on Main and Central Streets for the protection of the Public and the Patrolmen on those beats.

May we take this opportunity to thank all of the Town Departments for their generous cooperation received during the past year, and particularly Clarence Varney through whose generosity the Police Department

was able to purchase a Police Boat that has been launched at North Pond, at the Dam, to be used for any emergency that may arise.

Respectfully submitted,

WILLIAM F. FITZPATRICK,

Chief of Police

Sealer of Weights and Measures.

Report of the Tree Warden and Gypsy Moth Superintendent

To the Honorable Board of Selectmen:

I herewith submit my annual report on the care and removal of trees and the planting of new trees and also of the Insect Pest Control program.

During the year I have removed 17 trees not including the trees that I cut down and burned that were infected with the Dutch Elm Disease.

During the week of April 25, 1952 I bought and planted 20 Rock Maple and 12 European Linden trees as provided for by the appropriation made for this purpose at the annual Town Meeting in March.

Brush was cut and removed or burned from the roads in the outlying sections of the Town.

On May 10, 1952 I sprayed to control the Tent Caterpillar using 2400 gallons of material. On May 29, 1952 the outlying sections were sprayed by airplane.

On June 4th, 5th and 6th the in-town area was sprayed by the hydraulic method. On July 21, 1952 I sprayed to control the Fall Web Worm and the second generation of the Elm Leaf Beetle as far as the balance of the money appropriated went using 2550 gallons of spray.

During the weeks of June 13th, 20th, and 27th I sprayed for the control of Poison Ivy using 2100 gallons of materials.

I regretfully report that in 1952 the Town suffered an outbreak of the Dutch Elm Disease. There was a total of 12 trees found to be infected. Of this number 7 were small and 5 were large trees. All these infected have been removed and disposed of in accordance with the provisions of Chapter 770 of the General Laws.

In closing I wish to thank the various departments of the Town for their cooperation during the past year.

Respectfully submitted,

MATTHEW P. ANDREANO,

Tree Warden and Moth Supt.

Report of the Inspector of Wires

To the Honorable Board of Selectmen:

The following is my report for the inspection of wiring for the year of 1952:

The number of inspections has increased over former years in both new construction and other forms of wiring that require inspection.

I would like to repeat my recommendation that all oil burner installation wiring be inspected by the Inspector of Wires.

I wish to commend those of the trade who were co-operative and especially the maintenance and installation crew of the Worcester County Electric Company.

Respectfully submitted,

MATTHEW N. NIRO,

Inspector of Wires.

Report of the Board of Health

To the Honorable Board of Selectmen and the Citizens of the Town of Milford:

The Board of Health respectfully submits the following report for the year ending December 31, 1952:

Dr. Nicholas J. Capece was reelected Chairman of the Board for the year at the organization meeting on March 7, 1952. Other members of the Board are Frank Calzone and Harris Tredeau.

The appointments were as follows: Clerk and Agent, Louis A. Marino; Nurse, Alice Fitzpatrick; Physician, Dr. Eugene E. Allen; Dentist, Dr. Joseph MacLellan; Plumbing Inspector, Charles J. Ferrante, and John F. Power, additional Plumbing Inspector; Burial Agent, Oscar Ayotte; Meat and Slaughtering Inspector, Nelson C. Dion; Emergency Slaughtering Inspector, Ross Mazzarelli; Person to Receive and Report Contagious Diseases, Louis A. Marino.

During the year twenty-four regular meetings, two special meetings, and several conferences were held.

Contracts for the collection of garbage were awarded to Genevieve Geneseo and Alfred Tedeschi for one year for \$2600.00, and to John Molinari for one year for \$2800.00.

A Food Handling Training Course was conducted by Karol Wisnieski, District Sanitary Officer of the State Department of Public Health. 3-day sessions were held in the High School Cafeteria.

Correct methods of washing, sanitizing and storing eating utensils, dishes and glasses were stressed, together with proper handling of sanitary paper service, safe practices in serving food and personal hygiene.

The cooperation of Superintendent of Schools David I. Davoren and Mrs. Enman, Supervisor of the High School Cafeteria helped immeasurably in the success of the course.

The rodent control program at the town dump is being carried out so that an expert exterminator conducting the work is producing satisfactory results.

Plans are under way for the adoption of a set of Rules and Regulations for Eating and Drinking Establishments and also for a set of regulations governing the installation and operation of cesspools, privy-vaults, septic tanks and public sewers.

The Board of Health is working on the feasibility and advisability of fluoridation of the local water supply as a means of helping reduce tooth decay and will give its report at the next annual town meeting.

PHYSICIAN'S REPORT

Spaced physical examinations were given to the students of the Sacred Heart and St. Mary's Parochial Schools at different intervals during the school year. A form issued by the State was given to each child by the school nurse and any defects which were found at the time of examination were listed. These forms were taken home and signed by the parents or guardians.

TOXOID CLINICS

Immunization clinics against Diphtheria, Tetanus and Whooping Cough were held in the Milford High School auditorium. Double and triple antigen was pro-

vided by the State. Injections were given to baby's six months old and to children of pre-school age and older.

Two of the clinics were held in November and December and the remaining two clinics will be held in January or February.

VACCINATION CLINICS

Two smallpox clinics were held during the month of June. There were 106 children vaccinated at the first clinic and 74 children vaccinated at the second. Total number of vaccinations was 180.

HEALTH NURSE'S REPORT

Total enrollment of St. Mary's School	855
Total enrollment of Sacred Heart School	350
	<hr/>

The students are weighed and measured during the school year, and are inspected frequently for evidences of disease, and for cleanliness of the hands and nails, and scalp. Also dental defects are noticed and referred to the dental clinic for treatment. Dr. Joseph MacLellan is the dentist. The clinic is held each school day morning, and any child who cannot afford dental care may be referred to this clinic.

Any child with specialized health problems, are referred to the clinics which are held monthly in Worcester.

The Tuberculosis Association send four girls or boys to camp each year. In 1952, two girls from St. Mary's, and two from Sacred Heart went to the Sterling Health Camp, in Sterling, Mass., for a four week period. They returned in much improved health, and in improved health habits.

The Emblem Club was kind enough to send one boy from Sacred Heart, and one from St. Mary's to Camp Blanchred for a two week period.

Spaced physical examinations are given to the Sacred Heart and St. Mary's School students by Dr. Eugene Allen, Board of Health physician. Notices of defects are sent out to the parent or Guardian, and corrections are made by their own family physician.

IMMUNIZATION CLINICS

180 children were immunized for small-pox by vaccination, at two clinics held June 16th and June 23rd, 1952. Dr. Eugene Allen attending physician.

Immunization against whooping cough, diphtheria, and tetanus clinics were held at the Milford High School Auditorium in November and December 1951, and January and February 1952. Double and triple antigen was given to children six months and up who had never been immunized. Three injections are needed for immunization. Dr. Eugene Allen was the attending physician. 67 children received three doses, 14 received two doses and one dose the Booster dose was given to 41. 123 doses in all.

COMMUNICABLE DISEASES

Communicable diseases are reported to the Board of Health by the patients attending physician, if no physician is in attendance, the parents, or whoever cares for the patient should report the disease to the Health Board. There are many children who have the usual childhood diseases but many are not reported to the Health Department so an accurate report cannot be made.

The following are the diseases reported to the Health Board for 1952:

Report of Inspector of Animals

October 1, 1952

Honorable Board of Selectmen,
Milford, Mass.

Gentlemen:

That the yearly report of the work of the Inspector of Animals will be complete, I am forwarding to you herewith, data taken from the records of Dr. O. W. Beiersdorf. The records cover January 1, to July 14, 1952 inclusive.

A total of 27 dogs were quarantined for biting humans. No cases of rabies was discovered. At the request of the Division of Livestock Disease Control, Department of Agriculture, one dog shipped from England without proper inoculation and vaccination, was inoculated and placed under quarantine. At the request of the Dog Officer one dog believed to have rabies was examined and found to have been poisoned. Investigated the biting of one child by dog unable to locate, owner unknown.

Sincerely,

CORONA BEIERSDORF

December 31, 1952

To the Honorable Board of Selectmen:

I hereby submit my report as Animal Inspector for the Town of Milford for 1952.

There were 20 cases of dog bites for 1952, all dogs involved were quarantined and observed as required by law. No cases of Rabies occurred.

The annual livestock and barn inspection for 1952 has been completed and 125 cows, 68 heifers, 5 bulls, 200 swine, 12 sheep, 6 goats and 5 horses were inspected and found to be free of any contagious or infectious diseases.

The premises where the animals were stabled were inspected and found to be satisfactory.

In conclusion I wish to thank the townspeople for their cooperation and good will.

Respectfully submitted,

JOSEPH C. FABBRICOTTI, D.V.M.,
Animal Inspector

Report of the Board of Sewer Commissioners 1952

To the Honorable Board of Selectmen and
To the Citizens of Milford:

We respectfully submit herewith our report on operation, maintenance and construction work on the sewerage facilities of the Town.

COLLECTING SYSTEM

Eighty-three (83) particular sewers were reported connected to the sewers in 1952, bringing the total to 2345. Sewer extensions were made in the following streets:—

Nolan Avenue	267 feet
Wood Street	250 feet

South Terrace	226 feet
Mt. Pleasant Street	1175 feet
West Street	1452 feet
Congress Street	475 feet—a total of

.729 miles, making the total constructed to date — 30.237 miles.

In addition to the sewers constructed by the Town, sewers in the housing development off of Congress Street, including 715 feet in Hale Avenue and 173 feet in La Voie Avenue, constructed by the developer, and including 17 house connections, have been connected to the sewer system—bringing the total number of connections to 2345 and the length of sewers to 30.405 miles.

Routine flushing and maintenance of sewers was accomplished during the year.

PUMPING STATIONS

Routine operation and maintenance of pumping stations and equipment was accomplished. The ejector station at Medway Road has about reached its present pumping capacity.

TREATMENT PLANT

The treatment plant operation continues to be handicapped by limited sludge digestion and drying capacity, augmented by an appreciable increase in sludge. Flows at the treatment plant have totaled 406,174,000 gallons, with an average 1.11 million gallons per day and with maximum daily flows of 1.75 m.g.d.

These flows have reduced the average settling time in the Imhoff tanks, with the flow in March the greatest ever received at the plant, but the dry conditions during the latter part of the year have prevented undue trouble, which can be expected during higher flow periods. Rainfall has a definite and immediate effect on the quantity of flow received at the treatment plant, resulting in temporary backflooding of the main sewer and plant units.

Sewage treated, by months, has been as follows:

	Gallons		Gallons
January	46,400,000	July	23,150,000
February	43,795,000	August	26,293,000
March	50,237,000	September	22,479,000
April	42,228,000	October	22,135,000
May	42,655,000	November	20,671,000
June	38,080,000	December	28,051,000

Improvements at the Treatment Plant were also made whereby one of the old sand beds was turned into a Sludge Bed to allow more drying capacity due to the increasing Sludge, this was done at a very small cost to the Town; money came from our general appropriation fund, and also from our Improvement Fund, with no additional cost or appropriation from the Town.

WELFARE PHYSICIAN'S REPORT

Department of Public Welfare
Milford, Mass.

Gentlemen:

I respectfully submit the following report of my duties as Town Physician for the period extending from December 31, 1951 to December 31, 1952.

As Town Physician I made 145 calls to the Town Infirmary to examine, treat or transfer inmates to other institutions.

In addition to my duties at the Town Infirmary I had eighty-five office visits from patients who are at the Infirmary or who receive welfare benefits.

Patients who receive welfare benefits were visited at various rest homes in the Community.

I wish to express my appreciation for the cordial relations and the cooperation extended by Mr. Ahearn and other members of the staff of the Department of Public Welfare.

I wish also to commend Mr. and Mrs. Ebbeling for the very excellent manner in which they have conducted the affairs of the Infirmary.

Very truly yours,

G. S. NOSSIFF, M.D.

HENRY J. PILLARELLA, Chairman

FRANCIS L. KIRBY

ANTHONY M. OZELLA

JAMES L. AHEARN, Welfare Agent.

**REPORT OF THE SUPERINTENDENT OF SCHOOLS
TO THE SCHOOL COMMITTEE AND THE CITIZENS
OF THE TOWN OF MILFORD**

Herewith is respectfully submitted the seventy-fourth annual report of the School Department and my sixth as Superintendent of Schools.

PROGRAM

All innovations in program reported upon previously have been continued in the past year.

Innovations made in 1952 include:

Mothercraft Class:

The Mothercraft class reestablished during 1951 for the Stacy School students was shifted to the Course of Study for the High School students. This change was made to provide training for the older girls who are used to a greater extent in the care of infants, than the Stacy School pupils. The Quinshipaug Women's Club has continued their interest in this class and the assistance rendered is appreciated sincerely.

Retarded Children:

A class for retarded children, hitherto unable to attend school, has been organized and is functioning smoothly under the direction of Mrs. Helen Bacon of the State Department of Mental Health. This class meets once a week and is being received enthusiastically by the parents of the children attending. The School Department provides the room while the teacher is provided by the State Department of Mental Health at no cost to the town.

Curriculum Revision:

A committee of teachers completed a revision of the Program of Studies for Grades four, five, and six. This study was made in order to evaluate our offering in terms of the Curriculum Guide prepared by the State Department of Education. It is gratifying to have members of our teaching staff willing to give freely of their time and talent to such work and they are highly worthy of commendation and praise.

In Service Training:

In keeping with the policy of the School Committee to keep our teaching personnel abreast of current think-

ing and good practices in education a course was presented this year by the Harvard-Boston University Extension Course. This year the course was in Visual Education and those taking the course are to be commended for their willingness to spend of their money and time.

New Classes:

In view of an increase in the number of children registering for Pre-Primary, it was necessary to reopen the Pre-Primary class at the West Street School. This brings to seven the number of such classes in our system.

In order to accommodate increased numbers of pupils in the Spruce and Park School are as it was necessary to transfer a third grade to the Park School and a fourth and sixth grade to the Stacy School from the Park School.

Growth of pupil population in this area is reaching an acute stage and if this growth continues it will be necessary to make transfers of pupils to schools outside of this district.

Remedial Reading Progress:

The program introduced last year has been found to be extremely valuable and worthwhile. Substantial gains in the reading ability of the one hundred and six children receiving help was noted.

The success of the program to date strongly indicates the desirability of continuance and probable expansion.

Safety Program:

The safety patrol boys continue to function and this year an increased number of meetings of all patrols in town have been held in an effort to increase the efficiency of their performance. Our community was awarded a singular honor by winning the National Safety Council award for school safety. We are indeed fortunate in the record of safety and the patrol boys are deserving of

great credit. The cooperation of the Police Department, especially that of Sgt. James Curley, School Safety Officer, has been outstanding and richly worthy of our thanks and commendation.

Intramural Sports:

In addition to the regularly scheduled activities of the athletic and physical education program, boys in Grades five through eight were organized into leagues and played basketball games at the Lynch Auditorium on Saturday mornings and afternoons during the winter.

The boys were supervised by Mr. Charles Espanet of the Physical Education Department and the program was well received by the boys participating.

General:

The administrative agency of the department is constantly on the alert and eager to inaugurate practices which will be of greater benefit and advantage to the pupils.

PLANT

In furtherance of the policy adopted previously in the department certain major items of repair were accomplished.

In an effort to improve the repair of the nine elementary school buildings, the junior high and senior high school certain items were accomplished last year as follows:

Clafflin School:

The interior of this building was painted and the effect has been highly satisfactory since the dinginess, the drab and dark colors have given way to cleanliness, bright and cheery surroundings ever so much conducive to the proper learning situation.

Claflin School Yard:

A small piece of hot top paving on the South side of this building was installed improving appearance and giving better protection to the building foundation and the cellar in particular.

Chapin Street School:

A complete hot top paving job was installed in the yard in front of the building. Catch basins were installed for drainage purposes and an unsightly and dangerous play yard was eliminated.

A new oil burner was installed in this building to replace the hand-fired coal burning system used previously. This school brings to five the number of buildings recently converted from coal to oil.

Park School:

The Highway Department is deserving of commendation for the excellent hot top sidewalk which they constructed in the north east sector of Town Park. This walk in addition to serving the residents of the locale at all times is a wonderful improvement for pupils of the Park School since it connects with the walk system at the High School where the Cafeteria and some physical education classes are located.

Stacy School:

A new hot water heater was installed in this building, providing the Home Economics room, the girls' toilet, the teachers' room, and the boys' toilet with hot water. Previously, except for the Home Economics room, there were no hot water facilities in the building.

New gas stoves were installed in the Home Economics room replacing the plates fed through rubber tubes suspended from above. The replaced system was antiquated and dangerous since the tubes corroded and allowed gas to escape at times.

Oliver Street School:

New toilet bowls were installed in the girls' toilet and the entire girls' basement area repainted and brightened considerably.

General:

The foregoing constitute the larger items of repair effected last year. Innumerable small jobs of maintenance and repair were also accomplished to buildings and grounds by the custodial staff as part of their routine duties in compliance with the policy established by the School Committee for the department.

PERSONNEL**Retirement:**

Miss Mary F. Lynch, teacher at the Plains School retired from service in the department June 13, 1952.

Miss Lynch rendered unselfish, devoted, and inspiring service to the youth of our community for many years. The School Committee, the Superintendent, all the personnel of the school system who enjoyed her association wish her many happy years of good health and enjoyment in her retirement.

Resignation:

Mr. Edward McGarigle, teacher of Mathematics and Chemistry at the Milford High School resigned on September 19, 1952 to assume a position in Madison, New Jersey.

Miss Mary Louise Luby, teacher of Grade II at the Claflin School, resigned at the end of the school year to become Mrs. Thomas Seaver.

Miss Claire Lynch, teacher of Science and Social Studies at the High School resigned in May to become Mrs. Harold McNaney.

Transfers:

Miss Margaret Cochran from Grade III to Grade II, Spruce Street School.

New Appointments:

Miss Helen Doherty to teacher of Grade II, Claflin School, replacing Miss Mary L. Luby, resigned.

Miss Elsie Erickson to teacher of Grade III, Park School, replacing Miss Cochran, transferred.

Miss Barbara Seaver to teacher of Grade III, Plains School, replacing Miss Lynch, retired.

Mr. Frank Satkiewicz to teacher of Mathematics and Chemistry at the High School to replace Mr. McGarigle, resigned.

Military Leave of Absence:

Benjamin F. Consoletti terminated his leave of absence in May and returned to his duties as teacher of Science and Social Studies at the High School.

Philip J. Lucier is on military Leave of Absence.

RECOMMENDATIONS**Program:**

In view of the importance of the offering to pupils, I recommend that continuing study be carried on by the administrative and teaching staff, bearing in mind at all times the local needs and the thinking of educational leaders in broad geographic area in which our pupils find themselves in later life.

As a long range program I recommend consideration of more vocational education in the junior and senior high schools.

In order to strengthen the language interests and subsequent achievement of pupils in the foreign language area, I recommend the introduction of Latin in the Course of Study of Grade VIII on an elective basis.

Plant:

I recommend continuation of the program embarked upon six years ago to rehabilitate the existing buildings and grounds.

I further recommend that a school building survey committee be appointed to investigate the feasibility of constructing new elementary school facilities in Milford in the very near future.

Legislation currently in force makes it possible for Milford to obtain financial assistance in the amount of 30.48%. None of our elementary school structures are new, the available dates of construction ranging from 1905 to 1871, 1867, 1864, 1860, and 1858. Our birthrate as well as our enrollment in the elementary grades is increasing. The complete modernization of existing buildings to include lighting, flooring, fire doors and safety features, redecorating, new movable school furniture, hard surfacing, drainage and seeding of school yards and play areas will cost fabulous sums of money and still leave us with antiquated structures while neighboring communities enjoy modern plants paid for partially at least by tax money of Milford.

In view of the foregoing I believe that the matter of new construction merits serious consideration by our citizenry at this time.

Personnel:

I recommend continuation of the present policy of the School Committee to procure and to hold top flight teachers.

In view of the present shortage of qualified elementary school teachers I recommend that consideration be given by the Committee to the matter of continuing the employment of female teachers up to and including Grade VI even after they become married.

Respectfully submitted,

DAVID I. DAVOREN,

Superintendent of Schools.

CLASS ODE

Soft shadows float on silent walls
 And distant choirs swell
 To pledge their faith to Milford High,
 Alma Mater, loved so well.

Each voice has sung in years gone by,
 When high school days were o'er;
 Though we depart, we'll ne'er forget
 Those cherished days of yore.

"Today decides tomorrow,"
 And now our future calls;
 But through the years we'll reunite
 And walk your hallowed halls.

Report of the Milford Town Library

To the Honorable Board of Selectmen:

The Trustees of the Milford Town Library submit the following report for 1952:

The most significant accomplishment during the past year has been the completion of plans for the establishment of a new childrens section to be located on the main floor of the Library.

With circulation among the juvenile readers reaching 17,232 volumes, nearly double that of 1951, the facilities created by the new section will be more than utilized.

The Division of Public Libraries, through its Inter-Library Loan service, has been of great service in filling our requests for books not included in the Library catalogue.

The periodical and reference room, under the supervision of Miss Cecelia Wallace, had a total attendance of 5705 and a magazine circulation of 5263.

The Trustees and Mr. Pyne express their appreciation to the members of the staff, Miss Wallace, Mrs. Rooney and Mrs. Morgan for their efforts during the year.

Milford Athletic Field Committee

December 22, 1952

To the Voters of Milford:

The Milford Athletic Field Committee have endeavored to carry out the wishes of the voters and to furnish a clean, safe and respectable location for various athletic events. An unusual amount of sabotage has been in evidence this past season and this caused some curtailment of facilities because it appeared foolish to continually replace equipment after it had been destroyed several times. Most of this destruction was in the Annex.

We have handled 26 baseball games and 9 football games in Fino Field during the year, 4 of these being night games.

Earnings of Fino Field have been only \$908.49 but this is to be expected when there are no Blackstone Valley games.

The Annex has had its usual softball activity, and much football practice. Late in the year we built an out-

door basketball court and this addition to our facilities seems very popular.

As usual the other Town departments have been very co-operative and have helped whenever there was any opportunity. Particularly this applies to the Fire and Highway Departments without whose help our appropriation would have to be higher or our field would not be as well kept and ready.

Report of Park Commissioners

To the Honorable Board of Selectmen
and the Citizens of Milford:

We hereby submit our annual report for 1952 with
financial report appended.

This year we were able to hot-top one tennis court and we hope to do another in 1953 if we get the necessary money.

One walk was put in from Walnut Street through Town Park and we want to put another from Congress Street to Spruce Street as this is badly needed.

The comfort station was entirely done over in 1952 only to have it almost demolished by the youngsters for whom it is maintained. Unless drastic steps are taken, we shall have to close it.

We wish to thank all the various departments for their help and cooperation through the year.

Respectfully submitted,

FRED G. CUGINI, Chairman
CHRISTOPHER C. MORCONE
PETER R. CHESCHI

Christmas Town Lighting

Honorable Board of Selectmen,
Milford, Mass.

Gentlemen:

We respectfully submit our report of the expenditures and results for the Christmas Town Lighting for 1952.

The amount of \$1,300.00 was appropriated at the March Town Meeting.

Your committee awarded the contract to the only bidder, the Rubenstein Electric Supply Co., in the amount of \$1,280.00. An additional expenditure of \$19.60 was approved for new colored electric light bulbs.

We wish to thank the Milford Police Department, under the supervision of Chief William F. Fitzpatrick, and Mr. David I. Davoren, Chairman of the Christmas Lighting Committee for the Mercantile Bureau, for their splendid assistance in making, what we believe, Milford one of the best lighted and decorated towns in the state, during the Christmas Season.

Report of the Planning Board

To the Honorable Board of Selectmen and
Citizens of the Town of Milford:

The Planning Board respectfully submits the following report for the year ending December 31, 1952.

The Board held bi-monthly meetings during the year and considered numerous matters for the betterment and advancement of the Town. It had under consideration and made disposition of several plans for land development and sub-divisions.

Complaints regarding zoning laws violations were received and investigated and in several cases hearings were conducted.

The Planning Board feels that any person having recommendations or suggestions for the betterment and improvement of the Town and its welfare, should either in writing or personally advise the Board, which will be happy to consider the same.
